

**Department of Sociology**  
**Capstone Enrollment Form (SOC 797)**

**Instructions for Capstone Enrollment:**

1. Submit this form, along with a 2-3-page prospectus outlining the research problem or question you plan to investigate, and which Capstone option you plan to complete, to your Capstone Advisor for approval.
2. Submit the approved prospectus and this signed form to the MA Director for final approval prior to the start of the semester in which you plan to enroll in SOC 797.
3. The MA Director will then provide you with a CRN for SOC 797 enrollment.

**Important Notes:**

- Students are responsible for selecting their own Capstone Advisor, though this can be done in consultation with the MA Director.
- Students may register for SOC 797 up to the final 'add courses' day of any semester (usually one week after courses begin).
- Students cannot re-enroll in SOC 797, all Capstone work must be completed in one semester.
- Completed Capstones must receive final approval from the Capstone Advisor to be marked as complete; this often includes multiple revisions so timelines should be set accordingly.
- Upon completion, the Advisor and/or the student will email a copy of the Capstone to the MA Director; this will be added to the SOC MA Capstone Repository accessible to Faculty and current MA students.
