## Global Discovery Program

# PANAMA

## EXPLORING SOCIAL INNOVATION IN PANAMA

### LEARNING OBJECTIVES

- Enhancing 21st Century Skills: Communication, Collaboration, Critical Thinking, and Creativity through social innovation
- Incorporating problem solving frameworks: design thinking, learning by doing, experiential and project-based learning to solve global challenges

### EXCURSIONS

- **Beach Day:** Spend the day relaxing on the beach in Panama.
- **Panama City & Canal:** Explore the capital of Panama. Visit the Panama Canal and learn more about its historic importance and future purpose.
