Figure 2. Year of Immigration Among Immigrants, 1920 – 2014

All analysis in this fact sheet is based on source data from the U.S. Census Bureau American Community Survey, 2012-2016 distributed through IPUMS-USA, University of Minnesota, www.ipums.org.

¹ Please note that the terms "immigrant" and "foreign born" are used interchangeably throughout this fact sheet. Foreign born refers to individuals who are not a U.S. citizen at birth or who were born outside the U.S., Puerto Rico or other U.S. territories and whose parents are not U.S. citizens. The foreign born may include naturalized U.S. citizens, Legal Permanent Residents, temporary residents, refugees and asylees, and others. Additionally, native born includes those who are U.S. citizens at birth, those born in the United States, Puerto Rico, or other U.S. territories, and those born abroad to a parent who is a U.S. citizen.

² All other immigrants in Maryland excludes the Baltimore metro area and all other immigrants in the Baltimore metro area excludes immigrants in the city of Baltimore.

Immigrants in the Baltimore Metro Area, Maryland

 **Figure 3. Age Distribution Among Immigrants**
