- BIOD 709-DL1, Nonproliferation and Arms Control
- BIOD 760-DL1, National Security Technology/Policy
- BIOD 760-DL2, National Security Technology/Policy
- EVPP 505-003, Energy Climate Active Planning
- EVPP 533-001, Energy Policy
- GGS 590-001, Urban Planning

- GLOA 615-DL2, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- GLOA 615-DL3, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- GOVT 530-DL1, Comparative Politics
- GOVT 540-DL2, International Relations
- GOVT 540-DL3, International Relations
- GOVT 631-DL1, Comparative Welfare States
- GOVT 753-001, Collaborative Public Management
- GOVT 753-DL1, Collaborative Public Management
- PUAD 505-DL1, Intro Nonprofit Mgmt
- PUAD 636-DL1, The NGO: Policy and Management
- PUBP 503-001, Culture, Org, and Technology
- PUBP 503-DL1, Culture, Org, and Technology
- PUBP 503-DL2, Culture, Org, and Technology
- PUBP 504-DL1, Grand Strategy
- PUBP 504-DL2, Grand Strategy
- PUBP 505-DL2, Politics International Security Policy
- PUBP 506-DL1, Ethics and the Use of Force
- PUBP 730-DL2, US Institutions/Policy Process
- POGO 750-DL7, Politics of National Security
- POGO 750-010, Mapping Plcy, Corrupt, Govrnce
- POGO 750-D15, Transformation in Orgs & Work
- POGO 750-016, Population Policies

Global Health
Global Health helps to explain growing health trends through coursework in environmental health, HIV/AIDs, international organizations, infectious diseases, and public policy.

- BIOD 604-DL1, Emerging ID I: Bacteria/Toxins
- BIOD 620-DL1, Global Health Security Policy
- EVPP 505-005, Planetary Health
- GCH 543-DL1, Global Health
- GCH 645-DL1, US and Global PH Systems
- GCH 611-DL1, Health Program Planning and Evaluation
- GCH 611-DL1, Health Program Planning and Evaluation
- GCH 645-DL1, US and Global Public Health Systems
- GCH 650-DL1, Global Non–Comm Diseases
- GLOA 615-DL2, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- GLOA 615-DL3, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- PUBP 770-DL1, Health Policy Analysis

Global Media and Technology
Global Media and Information Technology examines the technological advances that connect people and provide information for economic, political, and social purposes.

- BIOD 760-DL1, National Security Technology/Policy
- BIOD 760-DL2, National Security Technology/Policy
- HE 792-001, Compliance and Risk Management
- HIST 615-DL5, Technology and Power
- HIST 635-001, Technology and Power
- GLOA 615-DL2, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- GLOA 615-DL3, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- POGO 750-DL1, Dangers of Tech: AI and Beyond
- POGO 750-D20, Social Media, Privacy, and Innov
- PUBP 503-001, Culture, Org, and Technology
- PUBP 503-DL2, Culture, Org, and Technology
- PUBP 503-DL2, Culture, Org, and Technology

Global Population and Geography
Global Population and Geography explores migration patterns, transportation development, and allows for students to take geography courses pertaining to a specific region of the world.

- EVPP 505-DL3, Energy Climate Active Planning
- EVPP 533-001, Energy Policy
- GGS 507-001, Approaches Sustainable Development
- GGS 590-001, Urban Planning
- GLOA 615-DL2, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- GLOA 615-DL3, Case Studies in Globalization (preference will be given to those students that need to take the course as part of the core requirement)
- POGO 750-009, Transportation and Land Use
- POGO 750-010, Mapping Plcy, Corrupt, Govrnce
- POGO 750-016, Population Policies
- PRLS 501-DL1, Intro to Natural Resources Law
- SOCI 633-006, Gender and Policy
