Letter from the President

Congratulations, graduates! The faculty, staff, and administration of George Mason University are excited to join your families and friends and other special guests today at our fifty-fourth annual Commencement.

You’re earning a degree from one of the nation’s top research universities and one of the most diverse universities in the country. Because of your hard work, you are prepared for success.

But that’s only part of the story. Your Mason journey has been unlike that of any graduating class in the university’s history. You’ve dealt with tremendous adversity over the past year and displayed a drive and resilience that will serve you in all aspects of life.

When we needed you to be flexible in your mode of education to stay on track to complete your degree, you adjusted. When we needed you to be leaders in executing our Safe Return to Campus plans for the fall and spring semesters, you led.

You’ve met every challenge thrown in your path. For these and so many reasons, this class—my first spring graduating class as Mason president—will always be special to me.

About one-third of Mason graduates in recent years have been in the first generation of their families to earn a four-year degree. For our first-generation graduates today, congratulations on making family history and inspiring others. You exemplify the inclusive excellence we strive for at Mason. We discover and develop talent and provide the opportunity for that talent to grow and flourish.

Today, all of our graduates join a distinguished group of more than 200,000 Mason alumni. They, too, take tremendous pride in your success and look forward to hiring you and working with you as valued members of the Mason Nation.

Stay connected to this place where you learned so much about yourself. Nurture the relationships you established here. Come back to campus for homecomings and other events. And, of course, keep us apprised of your accomplishments as professionals and as citizens. We’ll be watching.

And remember: Once a Patriot, always a Patriot!

Gregory Washington
President, George Mason University
Jill Biden, EdD, is the First Lady of the United States, a community college educator, and a bestselling author. Dr. Biden also served as Second Lady of the United States from 2009 to 2017.

**EARLY LIFE AND CAREER**

Jill Tracy Jacobs Biden was born on June 3, 1951, in Hammonton, New Jersey, to Bonny Jean Godfrey Jacobs and Donald Carl Jacobs. The oldest of five daughters, she grew up in Willow Grove, Pennsylvania, just outside of Philadelphia. She graduated from Upper Moreland High School in 1969, then graduated from the University of Delaware with a bachelor's degree in English in 1975.

In 1976, Dr. Biden began teaching English at St. Mark's High School in Wilmington, Delaware. She then became a reading specialist at Claymont High School. At that time, she was also pursuing a master of education with a specialty in reading from West Chester University. She completed her first master's degree in 1981.

In 1975, she met then-Senator Joe Biden. They married at the United Nations Chapel in New York City in 1977 and she became the mother...
of his two sons, Beau and Hunter. Their daughter, Ashley, was born in 1981.

Dr. Biden taught English at Rockford Center psychiatric hospital while also pursuing a master of arts in English from Villanova University. In 1993, she accepted a job at Delaware Technical Community College. In 2007, she received a doctor of education (EdD) in educational leadership from the University of Delaware.

When Joe Biden became vice president of the United States and the Bidens moved to Washington, D.C., Dr. Biden continued her career at Northern Virginia Community College, teaching throughout their eight years in office.

SECOND LADY
As Second Lady, Dr. Biden focused on advocating for community colleges, military families, and the education of women and girls around the world.

As the Obama-Biden Administration focused on recovering from the 2008 economic recession, Dr. Biden worked to underscore the critical role of community colleges in the nation’s economy. She hosted the first-ever White House Summit on Community Colleges with then-President Obama and led the Community College to Career Bus Tour to highlight industry partnerships between community colleges and employers. She also became the honorary chair of the College Promise National Advisory Board, leading the effort to make community colleges free for hardworking students.

The daughter of a U.S. Navy signalman and the mother of Major Beau Biden, a soldier in the Delaware Army National Guard, Dr. Biden has been a longtime advocate for military families. As Second Lady, she launched Joining Forces with then-First Lady Michelle Obama, an initiative to support servicemembers, veterans, their families, caregivers, and survivors. She also released a children’s book in 2012, Don’t Forget, God Bless Our Troops, the story of their family’s experience with deployment through the eyes of Dr. Biden’s granddaughter, Natalie, in the year her father, Beau, was deployed to Iraq.

During her first White House tenure, Dr. Biden traveled to nearly 40 countries, visiting military bases, hospitals, and refugee camps, and advocating for education and economic empowerment for women and girls.

Dr. Biden’s advocacy for more cancer education and prevention began in 1993, when four of her friends were diagnosed with breast cancer. Following that year, she launched the Biden Breast Health Initiative to educate Delaware high school girls about the importance of early detection. After Dr. Biden and then-Vice President Joe Biden lost their son Beau to brain cancer in 2015, they helped push for a national commitment to ending cancer as we know it through the White House Cancer Moonshot.

LIFE AFTER THE OBAMA-BIDEN ADMINISTRATION
Following the Obama-Biden Administration, then-former Vice President Biden and Dr. Biden launched the Biden Foundation and the Biden Cancer Initiative.

Her New York Times bestselling memoir, Where the Light Enters: Building a Family, Discovering Myself was published in 2019. That was followed by her second children’s book, JOEY: The Story of Joe Biden, which was published in 2020.

FIRST LADY
As First Lady, Dr. Biden continues her work for education, military families, and fighting cancer. She is a professor of writing at Northern Virginia Community College.
Tom Davis’s first foray into politics was at the age of 14, when he was selected to serve as a United States Senate page for four years. He graduated from the Capitol Page School in 1967 and matriculated to Amherst College, where he earned his degree in political science with honors.

After graduating from the University of Virginia Law School, Davis was first elected to office in 1979, representing the Mason District on the Fairfax County Board of Supervisors. In 1991, he was elected countywide to serve as chairman of the board. Despite a severe economic downturn and a county budget deep in the red, Davis was able to implement numerous reforms that resulted in Fairfax being named the best managed county in the country by Governing magazine.

In 1994, Davis won a seat in the U.S. House of Representatives to represent the 11th Congressional District of Virginia. Throughout his tenure in Congress, Davis was widely recognized as a skilled legislator, an honest broker, and a political mastermind. Through legislation such as the D.C. Control Board Act, he helped rescue the District of Columbia from its troubled fiscal situation and sponsored legislation that resulted in the closure of the Lorton prison complex, a longstanding but previously unachievable goal for the citizens of Fairfax County.

Davis earned national recognition as chairman of the National Republican Congressional Committee in 2000 and 2002, where he was instrumental in maintaining his party’s majority in the House of Representatives. In 2002, for only the third time in American history, the political party of the president picked up seats in the House in a midterm election.

After the 2002 election, he was named chairman of the House Committee on Oversight and Government Reform, gaining national prominence once again by chairing hearings on the use of steroids in baseball.

Davis is a partner at Holland & Knight and serves on several nonprofit and corporate boards, including the George Mason University Board of Visitors, where he served as rector for six years.

He teaches at George Mason University as a Distinguished Professor, is the author of a recently released book that he wrote with former Democratic congressman Martin Frost about the polarization of the U.S. Congress, and is often asked to appear on network television political shows to discuss the current political landscape.

Davis and his wife, Jeannemarie, live in Vienna, Virginia, with their Maltese pup, Duchess.
George Mason University

Since its beginnings in 1957, George Mason University has experienced a steady transformation from regional commuter school to national powerhouse. Mason’s rise is no coincidence, but instead reflects a purposeful path committed to embracing new ideas and adapting to the evolving needs of the community. More than a half-century later, Mason’s reach extends across the commonwealth and into the global arena, with a diverse student body comprising students from all 50 states and 130 countries, a campus in South Korea, and world-renowned faculty and researchers dedicated to both focusing on complex problems and nurturing the next generation of thinkers and leaders.

Even as Mason continues to make an impact regionally, nationally, and globally, we have never wavered in our commitment to inclusivity and our belief that higher education should be accessible to all.

Guided by our motto of Freedom and Learning, Mason strides into the future with a spirit of innovation, an acceptance of wide-ranging viewpoints and cultures, and a conviction to stand firm to our principles. In a rapidly changing world of increasing complexity, George Mason University is in a unique position to make change happen by producing the leaders and solutions that our world needs.
George Mason IV was the primary author of the Virginia Declaration of Rights and Virginia’s first constitution, written in May and June 1776, which served as examples for other states. He was highly regarded by contemporaries for his intellect and abilities. Thomas Jefferson described him as “a man of first order wisdom,” and James Madison described him as “the soundest and clearest reasoner I have ever listened to.” A reluctant public servant, he has been referred to as the “forgotten” or “unknown” founder.

In 1787, Mason attended the Constitutional Convention in Philadelphia. James Madison, although known as the Father of the Constitution, attributed much of the final document to Mason. Mason refused, however, to sign the Constitution, because it did not guarantee the rights of the people. By his principled opposition, Mason ultimately assured the adoption of the federal Bill of Rights based on his Virginia Declaration of Rights. As demonstrated in the language set forth in Mason’s own documents, he was acutely aware of the moral depravity of slavery—yet he owned slaves. He proposed an elimination of the slave trade as a first step toward eventual emancipation, yet he did not make provisions for the care or release of his own slaves upon his death.

On April 12, 1996, a seven-and-a-half-foot statue of George Mason presenting his handwritten draft of the Virginia Declaration of Rights was dedicated at the university. In 2021, the Enslaved People of George Mason memorial will be installed on Wilkins Plaza in proximity to the statue. The statue serves as a constant reminder of the ideals of freedom and learning most important to both Mason the man and the university that bears his name, while the memorial honors the memory of two of the hundreds of individuals enslaved by Mason. Together, these landmarks illustrate the complicated legacy of George Mason, the man.
Highlights of George Mason University’s History

The university’s formal history began in 1957 as University College, the Northern Virginia branch of the University of Virginia (UVA), offering courses in engineering and the liberal arts. It opened in a renovated elementary school in the Bailey’s Crossroads area of Fairfax County with an enrollment of 17 students.

In 1958, the Town (now City) of Fairfax purchased 150 acres and donated the land to the University of Virginia for a permanent branch campus, then known as George Mason College.

Just 14 years later, George Mason University became an independent member of Virginia’s system of colleges and universities when Virginia’s governor signed legislation in 1972.

Mason has achieved many milestones across the decades. Here are just a few highlights.

- **1968**—First class of 52 students graduates
- **1972**—The university separates from UVA
- **1974**—The Office of Admissions hires Mason’s first Black admissions officer, Andrew Evans
- **1976**—Mason’s baseball team reaches the National Association of Intercollegiate Athletics World Series
- **1980**—Fall enrollment is 13,293, including international students representing 58 countries
- **1981**—Mason begins offering graduate classes on the Arlington Campus, known then as the Metro Campus
- **1983**—The university awards its first doctoral degree, a doctor of arts in education
- **1985**—Women’s soccer wins the NCAA Division I National Championship
- **1986**—James Buchanan wins the Nobel Prize in Economic Sciences
- **1992**—Kraken, the first Komodo dragon born in captivity outside of Indonesia, is hatched at Mason and quickly becomes a media star
- **1996**—The Johnson Center opens and is the first multi-use building of its kind on a university campus
- **1996**—The George Mason Statue is dedicated. Created by Wendy M. Ross, the seven-and-a-half-foot statue shows George Mason presenting his first draft of the Virginia Declaration of Rights
- **2002**—Vernon Smith wins the Nobel Prize in Economic Sciences
- **2005**—In recognition of a $10 million gift from Ernst and Sara Volgenau, the School of Information Technology and Engineering is renamed the Volgenau School of Engineering
- **2006**—The Mason men’s basketball team becomes the original “Cinderella” team of March Madness as it makes its exciting run from an at-large bid to the NCAA Tournament’s Final Four
- **2009**—U.S. News & World Report names Mason the nation’s No. 1 University to Watch on its first list of up-and-coming schools. Since that time, Mason has remained on the list
- **2010**—The grand opening is held for the Hylton Performing Arts Center
- **2011**—After years of planning and fundraising, a new state-of-the-art Ritchey Chretien telescope is installed in the Research Hall Observatory
- **2013**—Mason joins the Atlantic 10 conference
- **2014**—Mason Korea is established as part of the Incheon Global Campus in Songdo, Korea
■ 2015—The Prince William Campus is renamed the Science and Technology Campus

■ 2016—Mason enters the R1 Highest Research Activity tier of the Carnegie Classification of Institutions of Higher Education, joining an elite group of 131 research universities and signaling Mason’s leading role in tackling some of society’s most pressing challenges, while reaffirming our status as an innovation engine for the state and region

■ 2016—A $30 million combined gift to the George Mason University Foundation renames Mason’s law school in honor of the late U.S. Supreme Court Justice Antonin Scalia

■ 2017—ADVANCE, a new partnership between Mason and Northern Virginia Community College, is established to provide a seamless path for transfer students to earn four-year degrees

■ 2017—In recognition of a $10 million gift from Dwight C. Schar, the School of Policy, Government, and International Affairs is renamed the Schar School of Policy and Government

■ 2018—The new Peterson Family Health Sciences Hall, named in honor of the Peterson Family, opens on the Fairfax Campus, allowing all of the College of Health and Human Services to be housed in one location for the first time

■ 2020—The School for Conflict Analysis and Resolution is renamed the Jimmy and Rosalynn Carter School for Peace and Conflict Resolution as a tribute to the Carters’ steadfast commitment to peacemaking through nonviolence

■ 2020—Gregory Washington is named Mason’s 8th president and first Black president

■ 2020—Mason-sponsored research surpasses $200 million

Our Vision Statement

We are an innovative and inclusive academic community committed to creating a more just, free, and prosperous world.
Spotlight on Extraordinary Students

This year, we invited our individual colleges and schools to highlight extraordinary students who demonstrated a commitment to excellence in a variety of ways.

College of Humanities and Social Sciences

Kevin Omans
Kevin is receiving a BA in foreign languages, with concentrations in Korean studies and Spanish, and a BA in global affairs. He speaks Spanish, Chinese, and Korean fluently. Kevin is a Korean adoptee who has related personal experiences and insight to bilingualism, multilingualism, and questions of social equity in education. He received the CHSS Dean’s Challenge Scholarship in 2020, studied in Korea to attain an advanced high proficiency in Korean, and will be advancing to a graduate program in East Asian studies.

Amy Dezember
Amy is receiving a PhD in criminology, law and society. Her dissertation research, which received a prestigious National Science Foundation dissertation fellowship, investigates Alford pleas and the role of evidence in these cases by examining court records and conducting interviews with court actors to learn more about the process for offering, negotiating, and accepting these unique pleas. She has been published in *Psychology, Public Policy, and Law; Courts and Justice Law Journal*; and has written numerous book chapters about guilty pleas and the use of risk assessments in the criminal justice system.

College of Science

June Kang
June is receiving a PhD in bioinformatics and computational biology. June contributed to our understanding of how viruses jump from animals to humans, and she demonstrated extraordinary dedication to mentoring undergraduate, graduate, and Mason INTO students.

Fahad Almsned
Fahad is receiving a PhD in bioinformatics and computational biology. Fahad applied a sophisticated bioinformatics algorithm to a broad spectrum of human issues ranging from cancer to viral and metabolic diseases. Fahad also published eight peer-reviewed publications and mentored many students.

College of Education and Human Development

Elizabeth Washington
Elizabeth is receiving an MS in exercise, fitness, and health promotion (EFHP) with a concentration in advanced practitioner. She is the proud recipient of the American Kinesiology Award and the award for Outstanding Graduate Student in EFHP. Her sports medicine experience and her tenacious passion for her discipline have led her to work with the Advancing Healthcare for Underserved Students (ACHIEVES) Project and to serve in teaching assistantships in the Athletic Training Program.

Andrea Guiden
Andrea is receiving her PhD in education with emphases in education policy and U.S. history. She was awarded the College of Education and Human Development Outstanding Dissertation Award for her study, “In Search of ‘the Right Type’: An Historical Examination of Black Teachers and Quality in the District of Columbia Public Schools, 1952–1964.” Andrea is a National Academy of Education Spencer Dissertation Fellowship semifinalist and is the author and coauthor of journal articles and book chapters on topics regarding race in education policy and the professionalization of teaching.
School of Business

Nicholas Carr
Nick is receiving a BS in marketing. He has become a student leader integral to the success of both the School of Business and Mason at large. He has used his marketing skills to help showcase the student experience to all incoming students, guests, and visitors to Mason through self-directed videos of campus and the community. Nick was also a highly motivated member of the School of Business Living Learning Community who helped to elevate the program to new heights, while creating a memorable, lasting impact among his peers.

Kaylin Trychon
Kaylin is receiving an MBA. Working at the intersection of technology and national security, Kaylin found Mason’s MBA Program to be a perfect fit for her career aspirations. During her time at Mason, Kaylin was recognized as a top communicator in cybersecurity, invited to become a member of the Forbes Communications Council, and accepted her dream job at Google.

College of Health and Human Services

Grace Buck
Grace is receiving a BS in health informatics. She was recognized for her achievements with a scholarship from the Health Information and Management Systems Society National Capital Area chapter and for her academic excellence in the area of health informatics. Grace is also a Student Pathways intern at the National Institute on Aging within the National Institutes of Health. That opportunity has allowed her to apply knowledge from her studies in the field, such as using data visualization software.

Caprecia Miller
Caprecia is receiving an MSW. As a student, Caprecia took action to fight systemic racism and registered hard-to-reach voters during the summer by serving as a voting squad captain for When We All Vote, where she held voter registration drives at the Black Lives Matter protests in Washington, D.C. Caprecia was recognized by prominent voting outreach leaders, including Gloria Steinem, Meghan Markle, and Michelle Obama.

Volgenau School of Engineering

Maya Chatterjee
Maya is receiving a BS in information technology. As president of the Society of Women Engineers (SWE), she started a mentorship program, initiated numerous corporate events, and grew membership by more than 100 members. Collaborating with the SWE board, she organized their first-ever Cloud Computing Conference. As a student, she interned at British Aerospace Systems and Amazon Web Services. In the fall, she will continue her studies as a Mason graduate student pursuing an MS in applied information technology with a concentration in project management.

College of Visual and Performing Arts

Erin Pugh
Erin is receiving a BFA in theater performance. An active student in the School of Theater, she led the Kilroy’s Club monthly play reading series, focusing on underrepresented voices. She is an advocate in initiatives to bring awareness and anti-racism practices to productions, rehearsals, and classrooms, and she has created video materials showcasing her talents as a performer. Erin has served the School of Theater and the College of Visual and Performing Arts in her roles as an Acting for Young People Teaching Artist, Mason Players staff co-historian, and Alpha Psi Omega—Alpha Zeta Upsilon cast member.

Anna Burkin
Anna, a Knoxville, Tennessee, native, is receiving an MA in arts management. She is the recipient of the Erin Gaffney Memorial Award in recognition for her service to Mason’s Arts Management Program as a graduate professional assistant, student representative in the Graduate and Professional Student Association (GAPSA), and her work in the field. Her professional experience includes working with the Sewanee Summer Music Festival, Mason’s Center for the Arts, and the marketing department for the College of Visual and Performing Arts. She holds a BA in music from the University of the South.
Jimmy and Rosalynn Carter School for Peace and Conflict Resolution

Oakley Hill
Oakley is receiving an MS in conflict analysis and resolution with a concentration in media, narrative, and public discourse. Oakley’s thesis, *Deconversion as Conflict: The Moral Grammar of Latter-Day Saints and Ex-Mormons*, focuses on deconversion, an intrapersonal phenomenon of religious psychology, as both a form of complex social conflict and a nonlinear social phenomenon. His thesis presents a theory of deconversion as conflict. Oakley was a recipient of the prestigious Brenda Rubenstein Memorial Scholarship Award in 2020.

Schar School of Policy and Government

Jenna Pan
Jenna is receiving a BA in government and international politics with a concentration in international political economy. She is also an accelerated master’s student in international commerce and policy. Jenna offered exemplary service to the Schar School as the lead peer academic advisor and by helping create a better team approach to serve Schar School students.

2021 COMMENCEMENT PROGRAM 57
Doctoral Programs

Doctor of Musical Arts

**Kanako Chikami**  
Utilizing Japanese Concepts of 間(Ma) in Japanese Percussion Repertoire  
Advisor: Emily Green, PhD, Reva and Sid Dewberry Family School of Music

**Nayoon Choi**  
Integration of Korean Traditional Musical Elements and Daeguem Techniques into Western Flute Composition: Sori, Nong, and UN-VI  
Advisor: Gregory Robinson, PhD, Reva and Sid Dewberry Family School of Music

**Michelle Fegeas**  
Feminism in Songs from “(In) Habitation: Musical Settings of Margaret Atwood Poetry by American Women Composers”  
Advisor: Emily Green, PhD, Reva and Sid Dewberry Family School of Music

**Juan Francisco Megna**  
Selected Atabaques Rum-Drum Solos in Candombé Ketu Music: Adaptations for Jazz Percussion Vocabulary  
Advisor: Darden Purcell, DMA, Reva and Sid Dewberry Family School of Music

**Brendan Michael Schnabel**  
Using Solo Transcription to Develop a Personal Jazz Improvisational Style  
Advisor: Darden Purcell, DMA, Reva and Sid Dewberry Family School of Music

**Christopher Troiano**  
From Antiquity to Academy: A History of Early American Brass Bands and a Way Forward for Their Adaptation within Institutions of Higher Learning  
Advisor: Michael W. Nickens, DMA, Reva and Sid Dewberry Family School of Music

**Minne Zhang**  
An Integration of Chinese Compositional Techniques with Western Musical Elements: A Stylistic Analysis of Huang An-Lun’s Selected Works  
Advisor: Tom C. Owens, PhD, Reva and Sid Dewberry Family School of Music

Doctor of Nursing Practice

**Koosha Adham**  
Reducing Non-Emergent Emergency Room Visits by Using an Evidence-Based Toolkit for Emergency Room Nurses  
Advisor: Angelina R. Harman, DNP, FNP-BC, School of Nursing

**Kristen Ahearn**  
Implementation of a Second-Stage Management Protocol in George Washington University Hospital Labor and Delivery  
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

**Kate Asiedu**  
Mental Health in the African Immigrant Community: Collaborating with Faith Leaders to Reduce Stigma and Improve Access to Mental Health Care  
Advisor: Kossi P. Eklou, DNP, PMHNP-BC, School of Nursing

**Cynthia Awadzi**  
Early Pregnancy Detection in Women of Child-bearing Age with Substance Use Order  
Advisor: Angelina R. Harman, DNP, FNP-BC, School of Nursing

**Sarah Bhatt**  
Decreasing Out-of-Pocket Costs to Encourage Influenza Vaccine Uptake in a Free Clinic  
Advisor: Tanya Haas, DNP, MSN, RN, School of Nursing

**Jennifer Breseman**  
Enhancing Provider Knowledge through the “Perspectives in Transgender Care” Webinar and Provider Toolkit  
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

**Kristin Clemens**  
Behavioral Health Transitional Care: Bridging the Gap between Acute Care to Outpatient Treatment  
Advisor: Tanya Haas, DNP, MSN, RN, School of Nursing
Erica Edge
A Practice Guide: Overcoming a Pitfall of Defeat in Entrepreneurs
Advisor: Ana Stoehr, PhD, RN, School of Nursing

Alexander Elebo
Mental Health in the African Immigrant Community: Collaborating with Faith Leaders to Reduce Stigma and Improve Access to Mental Health Care
Advisor: Kossi P. Eklou, DNP, PMHNP-BC, School of Nursing

Nora Elnahas
Creating a Sustainable System of Support for Families Affected by Opioid Disorder
Advisor: Caroline Sutter, DNP, APRN, FNP-BC, School of Nursing

Soledad Soto Ferrufino
Improving Diabetes Knowledge and Care in the Hispanic Latino Population via a Culturally Tailored Educational Intervention
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

Alexa Gallagher
Utilizing Community Health Worker Learning Modules to Increase Preventive Services during the COVID-19 Pandemic
Advisor: Rebecca Sutter, DNP, APRN, FNP-BC, School of Nursing

Anu George
Anaphylaxis Management: A Targeted Approach to Improve the Epinephrine Autoinjector (EAI) Access and Use among Primary Care Providers
Advisor: Shanti Chang, DNP, FNP-BC, School of Nursing

Kerniba Ghoneim
Improving Postpartum Depression Screening and Treatment Referral by Pediatric Providers
Advisor: Kossi P. Eklou, DNP, PMHNP-BC, School of Nursing

Lorin Hoover
Because of You: Reshaping Providers’ Attitude and Responses to Intimate Partner Violence Survivors
Advisor: Kossi P. Eklou, DNP, PMHNP-BC, School of Nursing

Elizabeth Horst
Navigating the Integration of Office-Based Opioid Treatment into Primary Care
Advisor: Melanie Yousefi, DNP, PMHNP, School of Nursing

Kenya Jenkins
MEWS—Any News? A Program Evaluation to Address the Gap from Knowledge Acquisition to Application in Practice
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

Janice Kim
Improving Awareness of Palliative and Hospice Care among Korean Americans with Dementia
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

Ellen Kodua-Agbo
Bridging the Gap: Effective Counseling of Mental Health Patients to Enable Tobacco Cessation
Advisor: Kossi P. Eklou, DNP, PMHNP-BC, School of Nursing

Catherine Lancaster
Who Provides Support When the Nurses Are on Their Own?: Implementing a Virtual Community of Practice for Virginia School Nurses
Advisor: Caroline Sutter, DNP, APRN, FNP-BC, School of Nursing

Tesfa Mekonnen
Telehealth: A Means to Improve Sexual and Reproductive Health (Title X) Services
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

Lindsay Najjoum
Expanding Provider Knowledge to Prevent Mortality in Patients with Eating Disorders
Advisor: Shanti Chang, DNP, FNP-BC, School of Nursing

Ashley Nguyen
Advisor: Shanti Chang, DNP, FNP-BC, School of Nursing
Josephine Omari-Yeboah
Improving Cultural Competency among Behavioral Health Professionals
Advisor: Melanie Yousefi, DNP, PMHNP, School of Nursing

Lorraine Ondrasik
Evaluation of a Catholic-Based Recovery Program
Advisor: Rebecca Sutter, DNP, APRN, FNP-BC, School of Nursing

Felicia Tanner Pinn
Implementation of Nursing Education Module: Intervention to Decrease Pharmacologic Treatment and Improve Patient Outcomes for Neonatal Abstinence Syndrome Using the Eat, Sleep, and Console Approach
Advisor: Ana Stoehr, PhD, RN, School of Nursing

Kayla Potter
Routine Screening of NICU Parents Using the PSS:NICU
Advisor: Caroline Sutter, DNP, APRN, FNP-BC, School of Nursing

Carla Reynoso
Addressing Cardiac Risk Factors among the Hispanic Community by Promoting Health Literacy
Advisor: Shanti Chang, DNP, FNP-BC, School of Nursing

Sunisha Sood
The Art of Mentorship: Educating Emerging Leaders in Nursing
Advisor: Rebecca Sutter, DNP, APRN, FNP-BC, School of Nursing

Melissa Swensen
Improving Underserved Patients’ Access to Mental Health Care through Academic-Community Partnerships
Advisor: Shanti Chang, DNP, FNP-BC, School of Nursing

Jennie Tran
The Evaluation of Telehealth Shelter-Based Care during COVID-19
Advisor: Rebecca Sutter, DNP, APRN, FNP-BC, School of Nursing

Priscilla Trewartha
Clinical Technician Onboarding at Inova Fair Oaks Hospital
Advisor: Tanya Haas, DNP, MSN, RN, School of Nursing

Karen Webb
Nurse Leaders Perspectives of ED Pediatric Readiness: A Priorities Implementation Roadmap
Advisor: Cheryl Oetjen, DNP, APRN, FNP-BC, School of Nursing

Michelle Whittaker
Prior Authorization in Addiction Medicine
Advisor: Nancy Kelly, DNP, RN, PHCNS-BC, CNE, School of Nursing

Katrina White
Evaluation of Readiness in Primary Care Practice: Fighting the Opioid Epidemic
Advisor: Rebecca Sutter, DNP, APRN, FNP-BC, School of Nursing

Doctor of Philosophy in Biodefense

Yong-Bee Lim
For Liberty and Accessible Science for All: Building a Better Understanding of U.S. Community Laboratories and the Do-It-Yourself Biology Movement
Advisor: Gregory Koblentz, PhD, Schar School of Policy and Government

Doctor of Philosophy in Bioinformatics and Computational Biology

Paul Aiyetan
A Quantitative Systems Biology and Mechanistic Model Approach to Synthetic Lethality—Defining Reaction Regulatory Pathways of Targeted Cellular Death in Cancer Cells
Advisor: Iosif Vaisman, PhD, School of Systems Biology

Bader Alharbi
Computational Analysis of the Phenotypic Significance of Individual DNA Methylation Sites
Advisor: M. Saleet Jafri, PhD, Neuroscience Program and School of Systems Biology
Jasmine Amirzadegan
Gut Microbiome Dynamics of Diet-Induced Liver Disease, A Computational Approach
Advisor: Patrick Gillevet, PhD, Department of Biology

Kalpana Dommaraju
Computational Identification of Viral/Bacterial Epitopes for Type and Strain Characterization, Leading to the Development of Vaccines against Human Adenovirus, HIV, and Staphylococcus aureus
Advisor: Donald Seto, PhD, School of Systems Biology

June Kang
Computational Analysis of the Phylogenomic Relationships of Human and Simian Adenoviruses and the Cross-Species Transmissions
Advisor: Donald Seto, PhD, School of Systems Biology

Kamil Can Kural
Utilizing Machine Learning and Graph Networks to Solve Complex Biological Problems
Advisor: Ancha Baranova, PhD, School of Systems Biology

Thomas C. McCarty
Respiratory Syncytial Virus Vaccine Design Using Structure-Based Machine Learning Models
Advisor: Iosif Vaisman, PhD, School of Systems Biology

Eric Munger
Identification of Clinically Significant Biomarkers for Inflammatory Diseases with Artificial Neural Networks
Advisor: M. Saleet Jafri, PhD, Neuroscience Program and School of Systems Biology

Daniel A. Negron
Molecular Clock Analysis of Human Adenovirus
Advisor: Donald Seto, PhD, School of Systems Biology

Leena Sait
Machine Learning Identification of Biomarkers Related to Autism Spectrum Disorder Using Genomic Information
Advisor: Iosif Vaisman, PhD, School of Systems Biology

Christopher Mark Siwy
Molecular Dynamics Study into the Passive Transport of Amyloid-ß Inhibitors Permeating the Blood-Brain Barrier
Advisor: Dmitri Klimov, PhD, School of Systems Biology

Doctor of Philosophy in Biosciences

Allison Bakovic
NsP3 Phosphorylation as a Mediator of Alphaviral Virulence through Protein:Protein Interactions
Advisor: Aarthi Narayanan, PhD, School of Systems Biology

Brian Hetrick
Development of Virus-Based Therapeutics and Diagnostics
Advisor: Yuntao Wu, PhD, School of Systems Biology

Lillian Parker
Novel Approaches in Conservation and Evolutionary Genomics for Studying Rare and Elusive Mammals across Different Ecological and Geographical Scales
Advisor: Larry Rockwood, PhD, Department of Biology

Doctor of Philosophy in Chemistry and Biochemistry

Greg Petruncio
Advisor: Mikell Paige, PhD, Department of Chemistry and Biochemistry

Doctor of Philosophy in Civil and Infrastructure Engineering

Hossein Fotouhi
Crowdsourcing in Emerging Transportation Services: Models and Algorithms
Advisor: Elise Miller-Hooks, PhD, Sid and Reva Dewberry Department of Civil, Environmental, and Infrastructure Engineering

Sara Mohamadi
Digital Twin Analytics; Life-Cycle Modeling of Structures for Present and Future Condition Assessment
Advisor: David Lattanzi, PhD, Sid and Reva Dewberry Department of Civil, Environmental, and Infrastructure Engineering
**Doctor of Philosophy in Communication**

**Deanne C. Canieso**  
*Exploring Expectancy Violations and Emotions in Computer-Mediated Communication: A Mixed Method, Hybrid Approach to Content Analysis of Online Mental Health Messages*  
Advisor: Kevin B. Wright, PhD, Department of Communication

**Farah Latif**  
Advisor: Gary L. Kreps, PhD, Department of Communication

**Karin Nordin**  
*Growing a Growth Mindset in the Introductory Course: Design, Pilot Testing, and Implementation of a Communication Mindset Intervention*  
Advisor: Melissa A. Broeckelman-Post, PhD, Department of Communication

**Kristin M. F. Timm**  
*Sources and Frames in a Contested Framing Space: An Analysis of the U.S. Media Coverage of the Fourth National Climate Assessment*  
Advisor: Edward Wile Maibach, PhD, Department of Communication

**Doctor of Philosophy in Computational Social Science**

**Farzaneh Davari**  
*Agent-Based Model for Resilience-Building Procedure in a Social-Ecological System*  
Advisor: Robert Axtell, PhD, Department of Computational and Data Sciences

**Clarence W. Dillon**  
*A Multi-level Model of World Order: A Simulation Environment for World Order Processes and the World Order Knowledge Graph*  
Advisor: Anamaria Berea, PhD, Department of Computational and Data Sciences

**Carmen Arleth Iasiello**  
*An Agent-Based Modeling Approach for Human Resource Management*  
Advisor: Andrew Crooks, PhD, Department of Computational and Data Sciences

**Brandon A. Shapiro**  
*Kinetic Action and Radicalization: Theory, Data, and Model*  
Advisor: Andrew Crooks, PhD, Department of Computational and Data Sciences

**Harold John Walbert**  
*Agents, Networks and Empirical Data: A Computational Data Analysis of Inter-country and Intra-country Dynamics*  
Advisor: Robert Axtell, PhD, Department of Computational and Data Sciences

**Yang Zhou**  
*Exploring Human Activities in Large Cities Using Social Media Data*  
Advisor: Andrew Crooks, PhD, Department of Computational and Data Sciences

---

**Doctor of Philosophy in Computational Sciences and Informatics**

**James P. Andrews**  
*Modeling and Simulation of Polymeric Macromolecules*  
Advisor: Estela Blaisten, PhD, Department of Computational and Data Sciences

**Redouane Betrouni**  
*Efficient Data Splitting Methods for Machine Learning Model Fitting*  
Advisor: Edward J. Wegman, PhD, Department of Computational and Data Sciences

**Gideon Gogovi**  
*Polymers and Biomolecules in Solvents: A Molecular Dynamics Study*  
Advisor: Jason Kinser, DSc, Department of Computational and Data Sciences

**William F. Lamberti**  
*Algorithms to Improve Shape Analysis and Classification for Small Data*  
Advisor: Jason Kinser, DSc, Department of Computational and Data Sciences

**John Kalung Leung**  
*Emotion-Aware Recommender Systems*  
Advisor: Igor Griva, PhD, Department of Mathematical Sciences

GEORGE MASON UNIVERSITY
Doctor of Philosophy in Computer Science

Yifeng Gao
Mining Variable-Length Motifs in Large-Scale Time Series Data
Advisor: Jessica Lin, PhD, Department of Computer Science

Jitin Krishnan
Unsupervised Cross-Domain and Cross-Lingual Methods for Text Classification, Slot-Filling, and Question-Answering
Advisor: Huzefa Rangwala, PhD, Department of Computer Science

Phi Hung Le
Applications of Secure Computation to Set Intersection
Advisor: Dov Gordon, PhD, Department of Computer Science

Wanwan Li
Personalizing VR Training Experiences through Optimization
Advisor: Lap-Fai Yu, PhD, Department of Computer Science

Matthew Bain Revelle
Community Detection and Event Prediction in Social Networks
Advisor: Carlotta Domeniconi, PhD, Department of Computer Science

Abhishek Roy
Improving Energy Efficiency and Quality-of-Control Metrics in Reliable Multiprocessor Real-Time Systems
Advisor: Hakan Aydin, PhD, Department of Computer Science

Doctor of Philosophy in Conflict Analysis and Resolution

Jerome Armstrong
Embodied Peacemaking
Advisor: Marc Gopin, PhD, Jimmy and Rosalynn Carter School for Peace and Conflict Resolution

Edi Jurkovic
Civil-Military Cooperation (CIMIC) in NATO: Together We Are Strong, Divided We Fall
Advisor: Solon Simmons, PhD, Jimmy and Rosalynn Carter School for Peace and Conflict Resolution

Angelica Martinez
Military Veteran Narratives of Service in Complex Conflicts
Advisor: Sara Cobb, PhD, Jimmy and Rosalynn Carter School for Peace and Conflict Resolution

Cynthia Nassif
The Syrian Refugee Crisis from the Perspective of Lebanese Political Groups
Advisor: Daniel Rothbart, PhD, Jimmy and Rosalynn Carter School for Peace and Conflict Resolution

The George Mason Medal

The George Mason Medal is designated by the George Mason University Board of Visitors to be the university’s highest honorary award.

This medal is designed to honor George Mason, the man. Those receiving the award should have a record of service to their community, state, or nation consistent with the level and quality of George Mason’s public service in his own time. George Mason, a native of Northern Virginia, was never elected to public office, but he was a public leader in the cause of freedom during the Revolutionary War and the formative years of the United States of America.

The George Mason Medal is awarded from time to time at the university’s annual commencement exercises with a special and distinct place reserved on the program for the presentation of the medal.

About the University Mace

George Mason University formal ceremonies begin with the entrance of the university mace, which features Mason’s seal highlighting freedom and learning and is carried in the procession by the lead university marshal. The tradition of the mace derives from medieval times when a bodyguard held a mace during ceremonial functions with the intention of protecting the royal or dignitary. The mace symbolizes the university’s governing authority and is present only when the president and the Board of Visitors are in attendance.
Alma Mater

Patriot Pride
George Mason, George Mason
We honor you today
Our alma mater is the source of Patriot Pride
From far and near 'round the world we come
To learn side by side.

Our namesake, George Mason
Saw truths that few could see
Declaring all of humankind is equally free
His truths live today in the heart and soul of
our university.

We love our George Mason
We’re proud of the green and gold
Those colors stay with us,
Those colors grow with us,
Those colors keep us Patriots
True and bold.

Welcome to the Alumni Association

Dear Patriots,

Congratulations on becoming a Mason alum! The George Mason University Alumni Association is excited to welcome this new class to our thriving community of more than 200,000 members. Earning your degree is an incredible achievement, and while your time as a student is over, your relationship with Mason is only just beginning.

As an alum, you now have access to so many great benefits, resources, and opportunities for staying engaged with the university. Our website, alumni.gmu.edu, can provide you with more information.

As you embark on your post-grad journey, remember to keep in touch and let us know about the great things that are happening in your life after Mason. The George Mason University Alumni Association is your lifelong connection to the university and we look forward to connecting with you.

Congratulations again for earning your degree, and remember, Once a Patriot, Always a Patriot!

With Patriot Pride,

The George Mason University Alumni Association
