Step 5: Select your payment method

- Based on your country selection on page 3, Flywire will automatically display your local currency rate with the appropriate payment options, such as traditional bank transfer or debit/credit card payment.
- Traditional bank transfer (also known as a wire) is the most cost-effective method. Please note that to complete the payment, you will need to make arrangements with your bank (in person, online) and send your funds to Flywire in your chosen currency.

Attention: The payment method will vary depending on your home country, and the United States only allows you to pay through wire transfer.

- Select the payment you want to use and click ‘Continue.’

Step 5-2: Select your payment method

- If you select your home country, but you don't see your home currency, don't worry — you can always pay in the currency of your institution or select a different currency by clicking the “Show additional currency options” link at the bottom of the page. Although the process and benefits will remain the same, your bank will handle the foreign exchange before sending the funds to Flywire.

Step 5-3: Select your payment method

- Debit/credit card will allow you to make an online payment in your home currency. Contrary to a traditional international credit card payment, Flywire handles the foreign exchange, so you will know the exact amount that will be deducted from your account before you make your payment.

**Please note that credit card payments are not available in every country.*

**Flywire does not provide an installment plan with credit cards.*

Credit Card Installment Method: You must contact your credit card company whether they provide you an installment payment plan after paying the tuition fee in Flywire. Some credit card companies may offer you an installment plan with an interest fee. Still, the rate and possibility will differ from your credit card score or the company's policy. Worst of scenario, an installment plan through a credit card is impossible.

- Flywire will then convert your currency and pay your institution.
- *Example) when you're paying in the United Kingdom.*
