“In this talk I present material from my book “Democracy Reloaded: Inside Spain's Political laboratory from 15-M to Podemos.” I focus on the ways in which the 15-M Indignados movement shifted from critique to the resignification of democracy and how movement praxis evolved around a central framework that encompassed three main ideational streams: autonomy, feminism and technopolitics (i.e. hacker ethics).”

Dr. Flesher Fominaya
Professor of Global Studies at Aarhus University
Editor of Social Movement Studies
February 23rd 2022
