**Degree Notes**

At least 9 credits (including the capstone requirement) must be at the 400-level. All students must complete at least one course designated "writing intensive" in their majors at the 300 level or above. Students majoring in English fulfill this requirement by successfully completing ENGH 305. Any remaining credits may be completed with elective courses to bring the degree total to 120 with 45 of these credits at the 300/400 level.
