PSYC 427	Community Engagement for Social Change		
HDFS 499	Advanced Internship and Analysis in HDFS	3	
Major Elective Choices (12 credits): Elective choices follow career and professional interests,		12	
are suggested by advisors and mentors and approved by the Academic Program Coordinator.			
Areas of focus include: Families and Individuals Across the Life Span, Family Advocacy, and			
Research and Policy. View course options in each area of focus within the University Catalog.			

Degree Notes

All students must complete at least one course designated "writing intensive" in their majors at the 300 level or above. Students majoring in Human Development and Family Science fulfill this requirement by successfully completing INTS 321. Any remaining credits may be completed with elective courses to bring the degree total to 120 with 45 of these credits at the 300/400 level.
