All analysis in this fact sheet is based on source data from the U.S. Census Bureau American Community Survey, 2016-2020 distributed through IPUMS-USA, University of Minnesota, www.ipums.org, unless otherwise noted.

Please note that percentages may not always add up to 100% due to rounding of the individual percentages.

Please note that the terms "immigrant" and "foreign born" are used interchangeably throughout this fact sheet. Foreign born refers to individuals who are not a U.S. citizen at birth or who were born outside the U.S., Puerto Rico or other U.S. territories and whose parents are not U.S. citizens. The foreign born may include naturalized U.S. citizens, Legal Permanent Residents, temporary residents, refugees and asylees, and others. Additionally, native born includes those who are U.S. citizens at birth, those born in the United States, Puerto Rico, or other U.S. territories, and those born abroad to a parent who is a U.S. citizen.

For the purpose of this report, English proficiency is defined as individuals who speak only English or who can speak English very well.

For fact sheets that examine poverty status, please note that it excludes individuals who live in group quarters and those who are under the age of 18 with no family.

For fact sheets that include refugee data, data was retrieved from: RPC [Refugee Processing Center Refugee Arrivals by State and Nationality]. <https://www.wrapsnet.org/archives/>.

IIR fact sheets are created following standard definitions established by the U.S. Census Bureau. Please consult <https://www.census.gov/topics/> for clarification as to important distinctions such as those between industry and occupation.

Maíra Arantes Rodrigues led statistical analysis and interpretation for this factsheet; **Umida Hashimova** provided fact checking and review; **Sandip Sureka** and **Michelle S. Dromgold-Sermen** provided editorial support.

Institute for Immigration Research

Immigration Data on Demand (iDod)

The goal of iDod is to connect people with customized data about immigrants in particular regions or sectors of interest. This data provides insights into the vital contributions immigrants make to the economy and society.

The Institute for Immigration Research (IIR)

The IIR's mission is to produce valid, reliable, and objective multidisciplinary research on immigrants and immigration to the United States and to disseminate this information through peer-reviewed academic journals, as well as in print and digital formats that make this research easily accessible to policy-makers, the media, the business community, and the general public. The Institute for Immigration Research is a joint venture between George Mason University and the Immigrant Learning Center, Inc. (ILC) of Malden, MA.
