Policies and Procedures

**Academic Honesty Policy:**
Adherence to the GMU Honor Code is expected. Academic dishonesty, including cheating or plagiarism will be reported to the honor council. Plagiarism can be defined as attempting to pass off as one’s own or submitting in any way (whether intentional or otherwise) all or a portion of someone else’s writings or ideas without properly crediting and citing the original author/owner. Anyone engaging in this or other forms of academic dishonesty – copying or cheating on assignments or exams – should expect to receive a “0” for assignment or exam, a grade of “F” for the course, and to have the matter turned over to the GMU Student Honor Council, which may result in documentation of the misconduct on one’s permanent academic record and potentially expulsion from the university. In other words, plagiarism and other forms of academic dishonesty are serious offenses – don’t engage in them.

**Communications:**
Official Communications via GMU E-mail: Mason uses electronic mail to provide official information to students. Examples include communications from course instructors, notices from the library, notices about academic standing, financial aid information, class materials, assignments, questions, and instructor feedback. Students are responsible for the content of university communication sent to their Mason e-mail account and are required to activate that account and check it regularly.

**Disability Statement:**
If you are a student with a disability and you need academic accommodations, please see me and contact the Disability Resource Services (DRS) at 703-993-2474.

**Add/Drop deadlines:**
Note that the last day to add classes is January 29, 2018. The last day to drop with a 33% tuition penalty is February 12, 2018 and the final drop date (with 67% tuition penalty) is February 23, 2018.
