GRADING & EVALUATION

Overall evaluation of the course is based on attendance, homework, classroom participation & performance, and quizzes and exams as scaled in the following. Level of skills at which each student begins the course and the amount of progress each student makes are also taken into consideration.

Attendance	Required	Quizzes	10%
Assignment	10%	Midterm Exam	30%
Class participation	10%	Final Exam	30%
		Two Oral Exams	10%
Total	100%		

Grading Scale

A ⁺ : 96.6-100%	A: 92.6-96.5%	A ⁻ : 89.6-92.5%
B ⁺ : 86.6-89.5%	B: 82.6-86.5%	B ⁻ : 79.6-82.5%
C ⁺ : 76.6-79.5%	C: 72.6-76.5%	C ⁻ : 69.6-72.5%
D: 59.6-69.5%		
F: 0-59.5 (failing grade)		

A. ATTENDANCE (Required)

Attendance is very important in this class. Though attendance does not carry points toward the final grade, absences can cause you to lose points or fail the course. Each absence beyond the 4th one will cause you to lose one point each time directly from your final grade and more than a total of ten absences will result in a course failure. In case of serious sickness or emergency, students should contact the instructor (preferably via email) before the class time in order to be considered for a waiver. In any case, a written document is required. Being late to class by 20 minutes or more will be counted as a partial absence. Three tardies equal to one absence.

B. TWO ORAL EXAMS

Two oral exams will be given as Midterm/Final tests. Successful completion of the two oral tests is required to everybody. Students must score **70 percent or higher** on both exams. Nobody can get a grade for the course without passing the oral exams. In case that no pass is given, you will be given one more opportunity to retry the same assignment. Test materials will be announced in class.

C. QUIZZES

Quizzes are given at the very beginning of class, one or twice a week. A typical quiz consists of ten to fifteen questions covering simple words, phrases, expressions, conjugations, and, at times, listening comprehension. What each quiz covers will be announced in class prior to scheduled quizzes. **Please don't be late for quizzes as they count for the biggest portion of the final grade. Absolutely no make-up will be offered for missed quizzes.**

D. ASSIGNMENTS

Assignments such as workbook drills, compositions, handouts, and notebook-keeping will be given either regularly or occasionally. Workbook assignment is a regular work that should be submitted whenever we finish one chapter. Late submissions and incompleteness will result in deduction in points. Details on other assignments will be announced in class each time. All assignments should be completed and handed in by given due dates. Failure to do so or do it on time will result in a lower grade.

E. Midterm/Final Exam

There will be two lesson tests for the previously covered material, as indicated on the schedule. All exams must be taken during the time specified. No electronic communication devices, such as mobile phones, tablets, laptops, etc., are permitted during the exam, or during the review of the exam. You can only miss regularly scheduled exams with prior approval from the instructor and for reasons allowable under university policy. You will need to provide acceptable, official documentation in advance of the regularly scheduled exam supporting your absence from the exam. Students missing a midterm or final exam without prior approval or for reasons not allowable under university policy will automatically receive a score of "zero" for that exam. There will be no delays, extensions, or make-ups given to students who miss an exam without prior approval or for reasons not allowable under university policy.

F. Class participation

The majority of our class time will be spent in doing class activities such as pair conversations, group discussions, role plays, and presentations. Acquiring a second language is not accomplished just by listening an instructor's explanation. To develop the five skills of one foreign language, listening, speaking, writing, reading, and cultural understanding, students are encouraged to engage actively in every kind of class activity. If you think of this class activity as the best chance of making mistakes, you may receive a high score for class participation.

COURSE REQUIREMENTS AND POLICIES

1. Students are expected to come to class fully prepared for class activities. Reading textbooks on the scheduled chapter and previewing vocabulary are needed to enhance students' active engagements with a new concept, grammar and expression.
2. There are no make-up tests or examinations.
3. The use of cell phones and other electronic devices in the class is prohibited. Students should ensure that their electronic devices have been turned off while in class. The use of cell phone during an exam for any purpose is considered a violation of the Honor Code. additional Honor Code sanctions.
