Location: Online – this will be a hybrid of synchronous and asynchronous learning

Course Description (GMU Course Catalog):

This course analyzes ethical principles relevant for those working in the criminal justice system.

I. Learning Goal (Textbook Overview)

By the end of the course, students will develop the ethical decision-making skills that are essential in the field of criminal justice.

The text *Ethical Dilemmas and Decisions in Criminal Justice*, 10th Edition is packed with current, real-world examples that cover ethics across all three arms of the criminal justice system: the police, the courts, and corrections. It combines coverage of the philosophical principles and theories that are the foundation of ethical decision making with the latest challenges and issues in criminal justice, militarization of the police, mass imprisonment, wrongful convictions, the misuse of power by public servants, and more.

II. Course Requirements and Grading

- 25% - Chapter Assignments - *Assignments will be completed through Blackboard using the MindTap subscription-based learning service. This entails weekly take-home quizzes, video reviews and scenario-based questions.*
 - *Weighted: Exams/Quizzes 75%; Video/Scenario 25%.*
- 15% - Ethical Analysis Essay (3)
- 15% - Video Assignments (2)
- **45% - Three Exams**

****Failure to fully complete an assignment will result in a zero.***

V. Required Reading

Joycelyn M. Pollock: Ethical Dilemmas and Decisions in Criminal Justice, 10th edition

Students will use the Cengage MindTap subscription-based service described below, which will be integrated with GMU Blackboard. Access can be purchased through the George Mason University Bookstore or Online. Students will then log into their Blackboard account in order to activate the subscription. The login for Cengage MindTap can be found in the MindTap folder in the Content area of Blackboard. Once the subscription is activated, students will only have to log into Blackboard to access the digital platform.

MindTap offers a free 2-week trial prior to purchase beginning August 16, 2021. This will allow you to access and become familiar with the subscription prior to purchase.

*The materials required for this class and any others using Cengage products are included in ONE Cengage Unlimited subscription. For \$119.99 per semester, you get access to ALL your Cengage online textbooks, and access codes, in one place. \$7.99 hardcopy textbook rentals are also available for select titles. Download the free **Cengage Mobile App** to get your Cengage Unlimited online textbooks and study tools on your phone. Ask for Cengage Unlimited in the bookstore or visit cengage.com/unlimited. Check Website for most up to date information and costs.*

VI. Optional Reading

Optional readings will be placed in the Content area of Blackboard to support the textbook readings and discussions.

VII. Honor Code

It is expected that students adhere to the George Mason University Honor Code as it relates to integrity regarding coursework and grades. The Honor Code reads as follows:

“To promote a stronger sense of mutual responsibility, respect, trust, and fairness among all members of the George Mason University community and with the desire for greater academic and personal achievement, we, the student members of the University Community have set forth this: Student members of the George Mason University community pledge not to cheat, plagiarize, steal and/or lie in matters related to academic work.”

More information about the Honor Code, including definitions of cheating, lying, and plagiarism, can be found at the Office of Academic Integrity website at <http://oai.gmu.edu>

VIII. University Policies

Class Cancellations:

<https://ready.gmu.edu/masonalert/>

Check Mason's homepage (www.gmu.edu) to see if classes are cancelled for bad weather or any other emergency circumstances. You can also register for Mason's emergency alert system at: <https://ready.gmu.edu/masonalert/> .

If I must cancel a class due to a personal emergency, I will make every attempt to email you ASAP at your Mason email address. Be sure to check your email regularly so you can receive important information in a timely manner.

Attendance:

Attendance will not be taken due to the online format. Meetings held through Ultra Collaborate may be recorded for viewing later.

Technology:

Activities and assignments in this course will regularly use web-conferencing software (Blackboard Collaborate). In addition to the requirements above, students are required to have a device with a functional camera and microphone. In an emergency (with instructor approval), students can connect through a telephone call, but video connection is the expected norm.

The synchronous meetings for this class may be recorded, by the instructor, to provide necessary information for students in this class. Recordings will be stored on Blackboard and will only be accessible to students taking this course during this semester.
