Each undergraduate shall write a 12 page paper and present it orally to the class.
Each graduate shall write a 20 page paper and present it orally to the class. The papers will be written in
the APA publication style or the grade shall be lowered one grade. The final shall be a take home with 5
questions. Undergraduates will answer 3 of them, graduates will answer 4 of them. Everyone will
answer question number 1, which will be part of your 3 or 4. The subjects of the papers will be on any
theme having to do with death, dying or grieving.
